

NOT A CREATURE WAS STIRRING – NOT EVEN A MOUSE.

It may be like that today. Just my dear bride and I settled down for a long winter night. Not so much back in the day with eight or nine youngsters in the house. Yup! I understand the busy-ness of the holidays. Hopefully, a joyful distraction. When it passes, and you settle into the New Year, please remember to call us to plan your 2020 home improvement project.
